DETAILED ACTION

Response to Amendment

The After-Final Amendment filed on February 26, 2018 under 37 CFR 1.1116 is sufficient to place the application in condition for allowance.

Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly suggest a counter knife fitted to *a knife frame the counter knife having two counter-surfaces arranged to rest on the knife frame, the counter-surfaces forming an acute angle α in the range of 25-75° for fitting the counter knife* to the knife frame using shape locking in combination with the rest of the positively recited limitations as set forth in claims 1 and 6.

Neither the prior art of record nor any combination thereof discloses the claimed invention as set forth in claims 1 and 6. Accordingly claims 1-9 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
